AUTOMATIC MACHINE **SW.818S**

For automatic edge-banding for 180–210°C

A cost-effective option, offering good adhesion.

USD 1.10/ KILO

AUTOMATIC MACHINE **SW.826L**

For automatic edge-banding for 180–210°C

A great value option, offering adhesion and durability.

USD 1.30/ KILO

MANUAL & AUTOMATIC **SW.858L**

For manual and automatic machine for 150–180°C

A great value option, offering adhesion and durability.

USD 1.30/ KILO

MANUAL MACHINE **SW.828J**

- ✓ For manual machine, with low process temp, 120-150°C
- 💰🔄 The go-to option for manual edge-banding.

USD 1.30/ KILO

MANUAL MACHINE **SW.8062A**

Specifically for manual machine, for 120-150°C

A featured option, offering clear transparency, and great value.

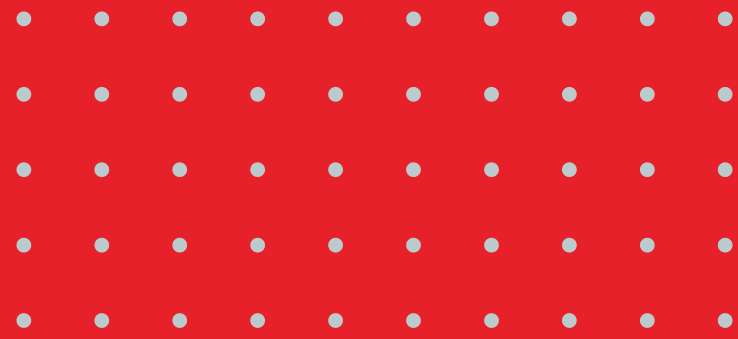

USD 1.80/ KILO
